

Thursday May 29, 2008

Dear Parents/Guardians of Grade 3 and 4 students,

Our schedule will be different next week because the grade 3 students will be completing the EQAO provincial language and math tests. The tests will take place the mornings of: **Tuesday June 3<sup>rd</sup>, Wednesday June 4<sup>th</sup> and Thursday June 5<sup>th</sup>.**

You may notice that these dates are different than those listed in the news letter, I inadvertently had told Ms. Pacheco the wrong dates so the dates mentioned in this letter are the correct ones. Please ensure that your grade 3 child is at school and on time these mornings. I have really been pleased with the progress and work effort of my class this year so I know they are all going to do a fantastic job of the test. It is their chance to show off what wonderful readers, writers and mathematicians I know they are. In case someone is ill, or absolutely has to be away one of the mornings, we will have a make -up day on Friday June 6<sup>th</sup> if need be.

The grade 4 students will be working in different locations throughout the school on these mornings with various teachers. We are planning some really interesting activities for them to do.

Any questions or inquiries about the testing, please feel free to give me a call or come and talk to me!

Thank you for all the support and assistance you always give me,  
Valoree MacKinnon
